

the metapainting

is composed of objects, but the metapainting is more than an object. The metapainting also holds a bachelors degree in psychology and was nominated for a (daytime) emmy. The metapainting is relational, but don't call the metapainting "relational aesthetics" (That really hurts its feeling (the metapainting is gender neutral--it's also both plural and singular)). Like the coastline paradox, the metapainting is simultaneously infinite and discrete. The metapainting is a paradox. The metapainting is a nihilist, but insists that nihilism is an optimistic stance. Those who do get to know the metapainting speak highly of its intellect and sense of humor. The metapainting is self-reflexive. The metapainting masturbates several times a day. The metapainting loves Pearl Jam. It makes the metapainting happy when people laugh, especially at its jokes. The metapainting thinks poop jokes are really funny. The metapainting uses a lot of toilet paper when it goes to the bathroom. The metapainting is bad for the environment. The metapainting shops at Whole Foods Market. The metapainting tries to eat less meat. The metapainting eats a lot of meat, mostly veal. The metapainting has a distinctive smell that is said to resemble that of a doctors office. The metapainting abuses chemical substances that make it feel better. The metapainting is really high, and low. The metapainting likes action movies from the 90s. The metapainting knows it needs to cry more. The metapainting has fallen in love twice. The metapainting is American. The metapainting enjoys long showers during which it sometimes masturbates. The metapainting has a bitchin' record collection. The metapainting still has a myspace. The metapainting is terrified of death. The metapainting thinks about the future a lot. The metapainting once ate an entire extra-large pizza. The metapainting thinks it is lactose intolerant. The metapainting is sending a shout out to Gretchen and Leonard. The metapainting is listening to Better Man on Grooveshark. The metapainting prefers vinyl. The metapainting really just wants to be free.

This artist's statement sounds like the immature rantings of a self-absorbed teenager that doesn't actual know anything about Contemporary art. I highly

Fodves "Tanfittársam:
ez a könyv legfontosabb javaink egyiké. "rdama miatt
remélhetőleg megősséjítjük tagjaink a késedelmet, mely nem a mi hibánk-
ból származott. A könyv készítése 1973 június óta a nyoma birtokában
volt és írta meg az angol nyelvű szöveg november elejére készen kellett volna
lennie. Nyomtatásunk sajnos nem veszik komolyan a határidőket.

Kérjük a jószándékú olvasót, hogy tanulmányozza át figyelme-
mel a Török sándor könyvét. "a ugy érzi, hogy hibát lolt benne, vagy hogy
valami kimaradt belőle, írja meg. Mielőtt angol nyelvre fordítanánk,
biztosan kívánunk lenni abban, hogy nemzetünk ügyét hiba nélkül képvisel-
selli az a munka. "a akadna valaki aki önként magára vállalná a fordítás
elvégzését, békének lennénk azért is.

1974-re Weiss Albert "Vard és Kasza" című történelmi regényét
adjuk tagjaink kezébe, mely könyv bolti ára tíz dollár lesz. Azonkívül
a következő két könyv valamelyikét: "American-Hungarian Relations, 1918-
-1944" vagy "Troop Without a Number". Elő egy amerikai magyar történelmi-
tanár munkája és olyan adatokat tár föl Magyarország földarabolásá-
val és a Szovjet-Életterbe való helyezésével kapcsolatban, amiket eddig
titok tartott. A második egy magyar csokészecskepat hősi megatartását és
küldetését mutatja be igazságszerűen a kezdetekben a kommunista elnyomás
alatt. "hogy a kettő közül melyiket tudjuk kiadni ebben az évben, az ki-
mondottan csak anyagi lehetőségeinken múlik.

Ezek a lehetőségek sajnos évről-évre korlátozottabbak lesz-
nek a szűkülés miatt. Egy könyv előállításra ma pontosan kétszer annyiba
kerül mint tíz évvel ezelőtt. Ezért arra kívánjuk megkérni tagjainkat,
hogy aki tohát, az emelje föl önként a maga tagdíját 15 dollárra. Van-
nak akik ezt már fölkerés nélkül is megtették. Idős tagjainkra való to-
kintottól, kik nyugdíjból kell megélniük, nem kívánjuk a tagdíjat ön-
kényesen fölemelni, ezekben kérjük azokat, akik megtohatják, hogy önkéntes
áldozat-beszattal segítsenek munkánkon. Annak ellenére, hogy mi mind-
nyájan kik a Szépművészet Cséh irodájában dolgozunk, minden díjazás nélkül
végezzük ezt, mint önkéntes szolgálatot, az utolsó két évben mégis csak
részletessel tudtuk könyveinket kiadni és terjeszteni.

Történelmi távlatból szemlélve emberi életük annyit ér annyi-
pán, amennyit "azának és nemzetünk jövődjéért eszelkedni tudunk. Az
Amerikai Magyar Szépművészet Cséh ezt a eszelkedést kívánja szolgálalni.
Segítsék tohát a munkáját, amennyire módunkból tolik !

Testvéri szeretettel köszöntünk minden érdek magyarat !

With the most powerful expression of the female form, the artist's work is a study of the human body in motion. The figure is depicted in a dynamic, almost athletic pose, with the body's musculature and contours rendered in a way that suggests both strength and grace. The use of dark tones and dramatic lighting emphasizes the physicality of the subject, creating a sense of tension and movement. The overall effect is one of raw, unadorned beauty, capturing a moment of intense physical activity.

Sometimes, sometimes not.

Pain-t

- Painting is dead.
 - --Unknown, Attributed to Delaroche
- God is dead. God remains dead. And we have killed him. How shall we comfort ourselves, the murderers of all murderers? What was holiest and mightiest of all that the world has yet owned has bled to death under our knives: who will wipe this blood off us? What water is there for us to clear ourselves? What festivals of atonement, what sacred games shall we have to invent? Is not the greatness of this deed too great for us? Must we ourselves not become gods simply to appear worthy of it?
 - Nietzsche
- Shit, now, is the color white folks are afraid of. Shit is the presence of death, not some abstract-arty character with a scythe but the stiff and rotting corpse itself inside the whiteman's warm and private own asshole, which is getting pretty intimate. That's what that white toilet's for. You see many brown toilets? Nope, toilet's the color of gravestones, classical columns of mausoleums, that white porcelain's the very emblem of Odorless and Official Death.
 - Pynchon
- Children bestow upon the anal product the status of their own original creation which they now deploy to gain pleasure in play...Thus some of the most crucial areas of social behavior (play, gift, property, weapon) develop in the anal phase and retain their connection with it into adulthood.
 - Boime
- The identical nature, from the psychological point of view, of God and excrement, should not shock the intellect of anyone familiar with the problems posed by the history of religions. The cadaver is not much more repugnant than shit, and the specter that projects its horror is sacred even in the eyes of the modern theologians.
 - Bataille
- Painting is the Shit.

But certainly for the present age, which prefers the sign to the thing signified, the copy to the original, fancy to reality, the appearance to the essence, . . . illusion only is sacred, truth profane. Nay, sacredness is held to be enhanced in proportion as truth decreases and illusion increases, so that the highest degree of illusion comes to be the highest degree of sacredness.
